### INSTRUCTIONS

The municipal clerk should complete this report as it is usually done for the entire municipality, however, it should only include property within the TID that is being subtracted. (DO NOT INCLUDE VALUES OF MUNICIPAL-OWNED TAX EXEMPT PROPERTY OR STATE ASSESSED MANUFACTURING PROPERTY.) If parcels included are from different years, use a separate form for each year. Be certain that all items below line 15 (first page) are completed and reflect the local assessed value of all general property as it was stated in its' base year Statement of Assessment (subject to the general property tax) located within the particular tax incremental district. DO NOT attempt to include Class 3 (Manufacturing) Real and Personal Property values on the Statement of Assessment form. If no special districts apply to the TID, write – NONE – in the appropriate area. Be sure to complete the certification portion of this form, remembering to sign and date it.
